

NO CREDIT DUE TO POOR CONVENTIONS

If you want credit for this assignment, correct your errors in conventions (spelling, punctuation, grammar), and turn it in at the beginning of our next class period. Staple your revised version to the top of this one.

Need help? Use your computer's spell check and grammar check. Use the text-editor feature in Criterion.* Go to one of the writing labs. (Labs are before school and during period 8.)

*Criterion is our online computer-based writing scoring system. While the pre-made essay prompts are geared toward English classes more than other content areas, you can use the "text editor" feature as a kind of supercharged spell check and grammar check. All of our students have subscriptions to Criterion, and you can access Criterion from any computer with an internet connection.
